# DEER DROPPINGS

## Run # 866 – October 8th

Hares : **Cum See My Box & Chips A Whore**

Location: Mountain Bike Park, 79St & 48<sup>th</sup> Ave

Prelube: Taphouse North

ON ON : Mr Mikes

Scribe: **Slippery When Wet**

Run #866 was great! I say great because we only had 3 people fall down and lost only one. Oh well, more beer for us!

The headlamps were necessary but oh so passe- the new way to wear them is on your hand. It's the Iron Man Look. A Few runners wore them “old school” style and a few of them didn't get lost so the choice is yours  
**Dripping Wet Gap** and **Cum Honor**.

We ran through the trees of the Mountain Bike Park on a lovely evening and only ended up a million miles from the start. **Cum See My Box** was very nice though and gave us amazing directions for a short cut!

**Cum See My Box** was the Hare but she was the walker so **Chips A Whore** ran with us. I'm not saying he didn't know where he was going it just looked that way. Apparently the walk was so exciting **Don't Know Dick** wanted to jump in someone's box??. (I don't know the details- I was told after the fact???) More investigating to follow.

The run must have been exciting too because **Pucker Sucker** had pricks all over her and **G-Spot** was trying to get everyone's digits.

There were only a few punishments after the run. I guess everyone wanted to get to the On On. However, the most appalling offence came from **Urine My Way**, a crime to heinous to report. One must hope that such a crime not be repeated in our life time. Thanks to **Pleasure Chest** for her investigative talents.
