Corn Maze Run

We gathered at Mr.Mikes for prelube and carpooling then it was off to the Kraay Family farm for some corn maze fun. While circle up was called we quickly realized that we were under attack. The sounds of pumpkins smashing against the bus beside us sent us on our way into the maze.

There might have been some bike riding, playing with goats, climbing on cows, pillow jumping, farm friendly fire, shooting corn through a cannon, a train ride or two, oh ya and even maze running. If you missed out on any of this we will see you out there next year.

The Hash Hold was amazing with all the food and drink any hasher could handle! (I guess that is why only three hashers made it to the On On. Even our lovely hares didn't show).

Until Thursday
