The Night the BUMs Came To Town Run

It was drinking as usual during prelube when rumors of visitors from the Edmonton Bitch-U-Men hash started to float around (Bitumen, Oilsands, get it?). Even better when word that **Squeals Like A Pig** and the lovely **Ginger Snatch** would be there also. Rumors came true as out of the first car came pouring out my Blues loving buddies **Porta Party**, **High Roller** and **Ass Wipe** followed by **Dame Edna** and **Cop Sucker**. Somehow, the second BUMs vehicle got confused by the word “South West” and drove around for a while before eventually showing up. There was **Squeal** and **Ginger**, **Blow Hole** and **My Scrotum** too. There was a lot of hugging and reminiscing but eventually we got to circle up.

I was having flashbacks of **Mount Me’s** Ginger pride run with all those red haired **BUMs** around the circle. Good thing **Little Oral Annie** has a mane impressive enough to compensate for all the Red Deer Hashers. There were introductions and some flour spread around but the non-committal running hare refused to say whether the arrow was lying or not. This trend would continue throughout the run.

So off we went, running around the beautiful Waskasoo neighborhood as **Flying Low** led the walkers away. Checks were few and far between but false trails were aplenty so the FRB’s didn’t get bored and the slow pokes like me didn’t get left behind. With so many false trails I started having doubts about **Nail Me’s** trail setting abilities but soon trail was found again and I was proven wrong. Yes, I was! But something even more shocking happened as **Chips a Whore** and **My Scotum** ran by a puddle and the RA didn’t jump in to splash him!! Must’ve been the visitor’s tight pants or maybe **Chips** didn’t want to wet the tag hanging out from his brand new shoes.

By this time **Broken Boner** and **Drippy** were off in the distance as **Slippery When Wet** and I made plans for our upcoming run. We eventually climbed up Mitchner hill and then back down to the residential area. I was running by **Pole Her Express** when suddenly I heard this weird voice coming out of somewhere on her body. She said the voices were in my head but after serious deliberations we decided that it wasn’t one of ours.

By the way **Wet Denim**, **Cum See My Box** and **Hymen Trouble** were relaxing when I got to the Hash Hold I could tell that the walkers had been there for a bit. **Pole Her Express** was soon delighting **Don’t Know Dick** with a story of a very appealing foot long but somehow couldn’t produce any evidence. We all turned to **Drippy**, with whom a picture of this specimen had been shared and we were anxiously waiting for this picture to appear on the screen when the hash gods frowned down upon us and her phone died. Proof that technology and hashing don’t mix! Eventually **Curb Crawler** and **Little Oral Annie** showed up after taking what must’ve been a 2 km detour.

On In was called so **Flying Low** locked all the doors and walk away. You can imagine **Porta Party’s** surprise once he got out of the washroom and found himself prisoner! He was secretly hoping this was the beginning of some wild S&M adventure but no. He was soon set free and after lots of laughs we all made our way back to circle up.

Ass Wipe brought out his pet sheep which immediately caught **Wee Little Bladder’s** interest. Who knew a sheep doll could have so many holes? **Sir Cums A Lot** busied himself pouring drinks, and then more drinks as we toasted our visitors and the RA handed out several punishments (some totally underserved!). Circle only ended once the RA’s shoes were no longer new.

Thanks to all the **BUMs** for cuming, it was a blast. We look forward to visiting you in Edmonton soon.
