Stand in the Way of a Good Story”

Run # 872 – November 19th

Hares : **Little Oral Annie & Dripping Wet Gap**

Location: **Kentwood Alliance Church, 3 Kennedy Dr**

Prelube: **Taphouse North**

On On: **Mr Mikes**

Scribe: **Cum See My Box**

We circled up in Kentwood in the dark and cold. We waited for more people but it appeared it was too cold & dark for the fair weather hashers.

Chips a Whore Called us to circle up, and our Hares **Little Oral Annie** and **Dripping Wet Gap** showed us a few markings.

Fortunately there were no virgins or other strangers as some of the hieroglyphics looked strange to the seasoned veterans, **Broken Boner** and **Curb Crawler**. After a quick intro, we were off, with **Drippy** guiding the runners and **Oral** leading the walkers. It was great to see that there were more runners than walkers, especially under those conditions.

We walker girls, **Oral**, **Wet Denim** and myself, were escorted by **Doggy Style**, who greatly enjoyed the female companionship. A quick, brisk walk around the neighborhood, calling out 'ice' frequently and we were at the hash hold.

We didn't see the runners until the end when they arrived from 4 different directions with headlights blazing, looking like some kind of low UFO. It was a very well stocked has hold with everyone consuming at least 5 drinks in the 20 minutes that we were there. .. these things happen when few show up!

Rewards were given a few times to the hares for varying reasons, including hard to find trail.

Punishments (rewards) were given to **Boner** for his commitment to wearing shorts, **Whore Slayer** for being mouthy, **Doggy** for showing off his harem of 3 walking hashettes, and **Sir Cums** for just being.

Hash was adjourned to Mr Mikes where **Mobey's Dick** and **Stick Handler** joined us for more drinks, group sex and other r-rated escapades.
