NUMBER TWO FOR YOU!

(cause I am scribing twice, not once but twice, consecutively, in a row! Any questions)

So, I begin, I begin

If this isn't the biggest bag over the head punch in the face I ever got, God
Damn It!
Its good, Its good, Its good!
Ahhhm, Hey!

If any of you are looking for any last minute gift ideas for me, I have one!
I'd like **Chips A Whore** and **Sir Mobeys of Dickus**, right here tonight and I
want them dragged from his happy holiday slumber over there on Fuck Me
Lane with all the other mother fuckers!

I want them brought here, right here, with a big ribbon on top of their pointy
heads! I want to look them straight in the eye and I wanna tell them
what a cheap, lying, no-good, rotten, four-flushing, low-life, snake-licking,
dirt-eating,

inbred, overstuffed, ignorant, blood-sucking, dog-kissing, brainless, dickless,
hopeless, heartless, fat-ass, bug-eyed, stiff-legged, spotty-lipped, worm-
headed sacks of monkey shit, they really are!

Hallelujahs Holy Shit !!!!

Where's the Tylenol?

Circle Up, Circle Up, calls the ra ra **chips a whore** (no capitals here
baby)! We circle up! All excited, All excited for the 'run of the week'! Chips
showing us his manly fortitude, his manly fortitude, sporting shorts, on one of
the warmest winter, warmest winter evenings in remembered Hash History!
Boner, shorts and T-shirt! **Chips** calls attention, calls attention to the fact
that once again, once again, we have a virgin in our midst. Virgin
Krista! Virgin **Krista**, Once announced we all had a go at our names,
calling the out gleefully, gleefully seeing the grin on our virgin's face, virgin's
face, I think she liked the dirtier names! I think she liked it a lot!

Quickly, with skill, with skill, **Sir Mobeys of Dickus** outlined the trail. Who'd
a, who'd a thunk it, before we began, that this was gonna be a long run, a
loooooong run. We all did think that. Excellent idea, the runs have been a
little short lately! a little short lately!

So, what happened on the run, the run. It was long. There were lots of
mistakes! lots of mistakes! Oh, sorry. False trails and lying arrows and
check-backs. Oh My! I am sure, that long false trail, way up way up that hill,
should have been marked 'YBF'. OnOn **Pucker** and **Drippy**, OnOn - we will
see you when you make it back! (**Boner/Curb** – where is that
underwear). Of a more odd note, **Doggy** must have smelled something
bad on the ground, maybe fish, maybe someone's old dirty snatch, cause he
'slowly went down' and started rubbing his body and back all over the
snow! For which he was duly punished.

So, to finish the scribe I was going to write a clever jingle to the harmony of
'Jingle Bells' but I am lazy and have absolutely no sense of rhythm so I am
writing a Naughty List instead and checking it twice, twice. For those who
participated I hope I got these right!

Sir Cums A Lot's

“Naughty Hasher's List”

Drippy – she and Pucker 'smoked some guys' in someone's
garage when they got lost!

Pucker – farted on my lap! Yes it was warm and wet, I
believe she 'quieffed'

Pleasure Chest – she cannot get 'dirty on demand', she can
only get dirty when 'riding de mann'!

Cheap and Easy – two white horse cocks fell in her mouth

Blowin Ho's – I couldn't hear him, something was tickling
my ear, I hope that sticky stuff is ear wax!

Premmie – obviously prefers sign language – what does a
lap dance mean in Premmie speak?

Waitress – I want your body, here is my number and my
measurements, sate me! oh sate me!

Chips – I am so great I make myself horny!

Doggy - squealed like a piggy, something about **Chips**
making **Sir Cums** pay for not writing scribe! And
something about dry humping **Chips'** leg

Deep – Blow Jobs in the backseat of a car are her favorite
(didn't know she was a hermaphrodite)!

Sir Cums A Lot – Like Santa, only comes once a year, but
it is 'A LOT' of cum

Sir Mobeys of Dickus – he sat on my lap, spread eagle.... I
think it moved!
