“Never Let the Truth or Libel Laws  
Stand in the Way of a Good Story”

Run# 879 – January 7<sup>th</sup> 2016

Hare: Doggy Style

Location: St Patrick School, next to Dawe Center

Prelube: Mr Mikes

On On: Mr Mikes

Scribe: Whore Slayer

Run 879 was off to a good start. The circle had formed loosely. I rushed to not be last, but was picked for scribe.

**Doggy Style** had the trail marked pretty good considering the snow was coming down at a good pace. A check point at the west side of the school and then all hell broke loose as per every run.

Highlights of the run included a couple of nasty false trails and a trip part way down the north hill. It was slippery to the extreme in places and was a half slide half jog and worse yet was climbing back up. Gotta get some spikes like **Chips A Whore**.

We got to the hash hold on the east side of St Pats where punishments awaited the misbehavers. I got a double dose for falling and being competitive.

**Sir Cums** showed up for the circle up, I think he had the right idea.

Incidentally January 7<sup>th</sup> is considered by orthodox Christians to be their Christmas day. I think a good idea would have been some borsht and halabtsi at the hash hold and perhaps a gift exchange. Oh well, maybe next year.

Also Nicholas Cages birhtday and 18<sup>th</sup> president of the United States Willard Filmore.

Definitely the best run of the year, and quite possibly the best scribe as well.

Sincerely;

**Whore Sleighter**
