"Never Let the Truth or Libel Laws  
Stand in the Way of a Good Story"

Run# 885 – February 25th 2016

Hare: Urine My Way & Deep Throat

Location: Jordan Parkway, West Parking Lot

Prelube: Mr Mikes

On On: Boston Pizza

Scribe: Broken Boner

There were a few that made it to the Prelube, **Hymen**, **Sir Cums**, **Daft**, **Slippery**, **Pleasure**, **Chips**, **Drippy**.

The weather was quite favorable for the run. As this was a new start point a few of the Hashers had trouble finding the Starting point. **Chips** called for the circled up, we had a couple of virgins return from the previous week and about 20 of us in total.

After introductions, **Urine My Way** and **Deep Throat** gave us a run-down of the markings and in doing so ran out of flour, I hoped he had a larger flour dispenser for the run. **Urine** spun the empty bottle and it pointed to **Pleasure Chest**, however, she stepped to the side and I was appointed the privilege of Scribe. So the runners left and were off and running, most with traction devices of some kind. It was great to see **Deep Throat** as the running hare as without her, we would have been lost, I could see her struggling to keep up and keep us going in the right direction, she kept us on trail and she had to realign us many times. Winding around the streets and back allies, **Pucker Sucker** and **Dripping Wet Gap** seemed to be the FRB's for a good portion of the run. We then came to the HH where the walkers were already enjoying their rewards. With a short walk back to our starting location, we were able to see **Cum See** for our Hash Cash as she wasn't quite ready at the start of the run. I don't remember all the details of the circle up, the Hares got rewarded, **Cum Honor** got his 50th run cup, **Cum Honor** and **Sir Cums A Lot** got their rewards for pushing into the snow, the Newbee's were rewarded for coming out again.

After the circle was over may went to BP's Lounge for some refreshments and snacks before calling it a night.

On On

**Broken Boner**

## UpCuming Run

Run #887 – March 3rd
