Hare(s) : Jenn & Sir Mobeys of Dickus

Location: Skate Shack off Olsen St

Prelube & On On: Leah's Bar & Grill

It isn't easy being Green. But it sure is fun.

We went to LBG's to warm up and **Pleasure Chest** graciously stayed behind to save our table for the On ON. She even had a beer for everyone when they returned. Nice!

Firstly, we started out by sharing a bottle of Irish Whiskey. Yum! Thanks to our Hares **Mobey** and newly named **Strippy?** (help me out). The hasher formerly known as “Jen”.

There were between 10 and 25 of us there. Some of the usuals; **Drippy, Chips, Pucker, Broken Boner, Curb, Sir Cums**, and his better half, **Hymen**. Some not so usuals; **Hard On, Pre Cum Princess, Deep Throat**, and the one with the nicest stick of all; **Urine my Way!** Seriously his stick had a snake engraved on it!

After the Whiskey I don't remember much. We had sticks and we were chasing snakes... Remember the movie “Snakes on a plane”? It was nothing like that.

I have never wanted to go down so many false trails before. When you found a false trail you found snakes! [(disclaimer) No animals were harmed in the making of this run.]

After all the snakes were collected/beat and the Whiskey was downed we had a lovely visit with **Doggy's** truck. It's coming along nicely **Doggy!** During punishments and announcements **Drippy** was punished for losing her sparkle, snakes were collected, **Jen** was named and **Slippery** was not punished.

I'm sorry if I have forgotten anyone ...remember the whiskey.

We had an even greater time at LBG's for Karaoke and beer and burgers! Some people had to be driven home by **Drippy**. I won't say who. Thank you **Drippy**. **Pucker** says thanks too.
