The “Bad Thursday” Run

I have written a full scribe but thought in hindsight I could sum it up differently. Best way to know what happened on this run was to be there to experience it.

We don't work tomorrow so let's dress bad, act bad, prelube, confess our sins, be forgiven for our sins, drink some booze, use public transportation, find out who made virgins cum, welcome visitors, try to earn impunity, meet other hashers named Sir Cum's A Lot, visit some churches, run, drink some booze, appear to get the flu, win hot sauce for best dressed, fall down, piss in the bush or under bridges, run, socialize, partake in multiple hash holds, shots, get lost, run the wrong way, eat chicken wings, hug it out, have deep drunken conversations, dance, drink, spend some awesome quality time closing down the bar with some of my closest friends, forget most of what happened.....Check!

Great Run – Fuck yeah

Regrets – Hell No

Never Again – Until next year!!

I'm sure everyone's recollections vary so I felt this the best way to sum it up. Hope all had a great time.
