“Never Let the Truth or Libel Laws
Stand in the Way of a Good Story”

Run #894 – April 21st 2016

Hare(s): **G-Spot**

Location, Prelube & On On: 4508 44St Sylvan Lake

Scribe: **Pole Her Express**

For a group that has “no rules” I am pretty sure we broke them all. **Deep Throat** was the first to disobey wearing a certain shirt with the ‘M’ and ‘R’ word on it, and was rightfully punished. There were also threats of people wearing new shoes and who knew that RDH3 didn’t know how to use arrows properly. **G-Spot** showed the group how they should be used; I think we all learned something new on Thursday.

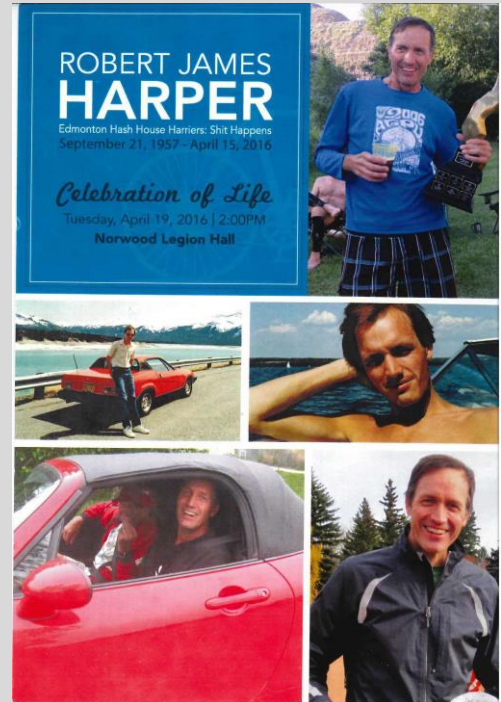

The walkers must have endured a more rugged terrain on their quest for beer. There was a lot of pissing and moaning about the hills – where is that shirt? I don’t believe this was the same for the runners. Thanks to **Hymen Trouble** and her ceremonial rain dance, the group experienced potential flooding as a result of Mother Nature’s response. **Hymen** must have been channeling her inner **Pole-Her Express**.

It’s a good thing that there is a new subdivision where there once was a farmers’ field, otherwise we would have lost **Wee Little Bladder** to have a wee bit of fun with some sheep. Thanks to our sanctimonious drivers **Preemie**, **Sir Nookey** and **Daft Bastard** for making sure the runners stayed on path, we couldn’t have done it without you.

At long last after many wrong turns and apparently tons of hills, we returned to **Preemie** and **G-Spot**’s home for Black Label and a song to honor our fellow Hasher **Shit Happens** aka **Squeals Like a Pig** who is now watching us from above raising a beer to the friends who will miss him.

There were too many punishments to list; we celebrated the youth of **Broken Boner** by raising a glass in his honor. Thanks again to **Preemie** and **G-Spot** for an excellent Sylvan run, as always the run was excellent and the hospitality can’t be beat! Remember you’re only young once, but you can stay immature...indefinitely. Don’t be a boring Betty.
