## Run 904 – June 30<sup>th</sup> 2016

**Hares :** Mobey's Dick & Pleasure Chest

**Location:** Kin Canyon

**Prelube:** Tilted Kilt

**On On:** East 40th

**Scribe:** Slippery When Wet

Oh what a run! We started at the Tilted Kilt. There were 8 or nine eager beavers ready to run and have some fun. It was there that I learned that it was not a bad run with multiple hash holds but a regular run with an extra long On On. I have so much to learn. Thanks Chips

When we arrived at Kin Canyon I saw a sea of Red and White and black...Whaaaat? **Cum Honor** and **Katie** were representing his native Land of Transylvania who also celebrate their independence on the 1st. Who knew? It was very nice to see all of the visitors; **Bare Woody**, **Restricted Entry**, **B.A.B.E** and **Pecker Checker** (we're his home away from home). As it turns out we had two hash stops with a Canadian twist. The first one was a setup for sure. Hit the nail into the log without hitting the wood. Punished by a shot if you do. Oh, the diabolical duo of **Pleasure Chest** and **Mobey's Dick**. No one lost an eye so it's all good! The second game was a good old fashioned game of hockey skills using wooden pucks on the grass. What could go wrong? The scariest part though, were the swirling green clouds streaming with lightning. But as **Mobey** stated "when thunder roars go outdoors". I felt better after that.

The markings were done with a lovely orangey red shade, similar to the hue of **G-Spot's** shirt. That was a classy touch guys. We ran through the red paths of the city and barely saw the streets. It was truly a great run.

As pointed out during circle up **Katie** came in second! Good job **Katie** - hope you enjoyed your sleeve prize. **Sir Cums** and **Hymen Trouble** celebrated their anniversary/pending divorce with a double sleeve ceremony. You don't see that every day. It was great when **Cum Liquor Snatch** was punished for pushing **Sir Cums A Lot** while practicing "the plank". She got the sleeve too. Then **Curb** got the plank for hiding under an umbrella as a recall. It was raining pretty hard but **Tippy Stripper** missed it all. -till next time. By the time we finished our perfectly timed circle up we were all soaked. Time for the On On.

24 Hashers showed up at East 40. The staff were expecting us. Nothing was set aside and they were short staff but they knew we were coming. That's something at least. We had 2 for one pizzas, beer, gin and tonic for me, and tons and tons of popcorn. A few shooters were tossed; some including pickle juice, a few games a pool were played and lots of hilarious conversation were heard. Then we all took driver take home.

Nighty Night Rabbits.
