Run #925 – Nov 24th

Hares : Swings Both Ways

Location: Glendale Middle School

Prelube: Mr. Mikes

On On: Mr. Mikes

Scribe: Wee Little Bladder

The run was at Glendale School. As I drove up, I thought “Am I at the right place?” because I couldn’t see any other Hash cars there, or could I possibly be the first to arrive? Surely not!! That’s never happened before!!!!

Just then, a Varsteel truck came out of nowhere, turned in front of me, and parked with his wheels over the yellow lines. I thought “What sort of fucking parking is that?” With that, along came a jeep, swerved in next to him and parked perfectly dissecting the yellow parking line!! I waited in disbelief, to see who this was? Out came **Deep Throat**, smiling as always, and I asked her if she was leaving her car like that? “Oh, fuck it. I’m French. “We always park like that”, came her reply. Mmmmm. Fucking French!! Steadily, more hashers began to show up. It was great to see **Nicole** out again. She was a virgin at the “Run of the Year” a couple of weeks ago and she told me that she wouldn’t miss a run if she could help it. She can’t wait for Thursday night and she looks forward to it all week!! Poor girl – she’ll learn!!!

15 Hashers eventually showed up. Although it was a pleasant but slightly chilly evening, standing next to each other in the circle was **Cum On Her**, dressed as though he was about to embark on a Polar Expedition, and **Sir Mobey’s**, who looked as though he was on holiday in the Bahamas!!! Oh, the diversity of our Hash!!!!

Our fearless RA, **Chips** introduced everyone – no virgins (it was good to see **Triston** out [although I don’t think he’s all that experienced] or visitors – and the hares were **Swings Both Ways** and **Doggy Style**.

Now although it wasn’t his run, **Doggy** took it upon himself to bequeath me with the honour of scribing this run. It really is a privilege, and when **Doggy** chose me, I was literally lost for words.

It was quite an eventful run. Eight runners and seven walkers - or was it seven runners and eight walkers? Both hares were walkers, so the runners were left to fend for themselves. This is never a good idea as they can never be trusted to stay out of trouble!!

During the run, **Pleasure Chest** apparently found a box of eggs. Now, how anyone just happens to find a box of eggs on a run, I do not know, but being the trouble maker she is – and French!! – she started throwing them at people. This didn’t go down very well and a melee broke out!!

Nicole was hit in the head and threw one back and hit **Mobey’s** in the crotch. **Wet Spot** was hit in her wet spot which **Cum On Her** happened to see. He retaliated, pulled his “crystal” from around his neck and threw it at **PC**, but missed and hit **Wrecked Anal**. This gave **Wrecked** super powers (in case any of you don’t know the story of **Cum On Her’s** crystal, please ask him at the next run). **Cum** and **Wrecked** were just about to join up and perform their superpowers together, when **Chips a Whore**, who knew what was going to happen, and being the RA and whose job it is to condemn such behaviour, decided to split them up by throwing an egg at them. Big mistake!!! Not being the best marksman and still nursing a sore thumb, the egg he returned was slightly wayward and smashed into the face of a police officer, who happened to be hiding behind a tree watching the scene unfold before his very eyes!!! He promptly arrested all the runners for illicit behaviour and causing a disturbance. He rounded them all up, locked them in his police van, and was just going to take them away, when the walkers came by.

Luckily for the runners, whose behaviour is an embarrassment to any self respecting Hash, our reserve police officer, **Curb Crawler**, did some copsucking and asked the officer to let them free, as they had a Hash Hold to attend.

The officer saw how wet **Slippery** was, **Cum See** flashed her box, and **Cum On Her** showed him his crystal. For some reason with a wink and a smile, he set them all free. They can count themselves lucky that they didn't miss the Hash Hold, because it was awesome. It was in **Swings'** back yard. There was lots of beer, including the amber nectar from Sir Alexander (of course he's a "sir"), chips, cookies, horrible cherry liquorice (doesn't anybody eat black anymore?) note: Cheap and Easy need not reply with "I do"!!!!

While we're on the subject of liquorice (or licorice), I just read that too much taken by mouth can cause: high blood pressure, low potassium levels, weakness, paralysis, occasional brain damage, tiredness, absence of menstrual periods, headaches, water and sodium retention, and decreased sexual interest and function in men!!!! Guys, this is where you can ask **Cum On Her** if you can borrow his crystal!!!!

Back to the Hash Hold: There was a blazing wood fire that we could stand around and drink, and of course, we got to see the lovely **Caulk Belly**!!!

At the On In, we stood around wondering where the swill was, when out of the blue, like knights in shining armour, came **Sir Cums** and **Urine My Way** to the rescue!! It was like the cavalry riding in to save the day!!! The hares were called in and **Doggy** disgraced himself by taking longer than **Deep Throat** does in downing his beer. He was called back in for a punishment, but he took even longer claiming that it was too cold!!!! **Nicole** showed him how it was done, by knocking it back without touching the sides!! A true hasher, that girl!!!

The On-On was at Mr. Mikes where alas, the runners disgraced themselves again. Apparently, the word on the streets is that **Cum On Her** produced his crystal which sent the runners into a frenzy which caused table dancing and debauchery. Needless to say, they were all chucked out and told never to return.....until next time!!!!!!

I swear this is the truth, the whole truth, and nothing but the truth!!!!
