Winter “What the Fuck” Land

How long has it been?!!! I believe the last time I hashed I was celebrating my birthday on a warm fall evening, now there’s all this white shit everywhere and my fingers and toes are fucking frozen (Prob doesn’t help that I just came back from a Tequila & Sunshine Paradise).

I suppose this counts as one of the “milder” winter runs, as the degrees sat 10 below the freezing mark. Our ever punctual RA, **Chips** is getting a bit tardy in his elder years as we didn’t circle up till Seven O’ Ten. About 14 brave hash souls including **Lady Miss Daisy**, **Preemie** and **G-Spot** were accounted for, the rest I’ll mention as the scribe unfolds. **Cum Honour** was donned 2nd in command, and the Shit was awarded to one of our newer Harrietts. Our hares **Wee Little Bladder** and **Master Baiter** showed us what to expect on our expedition to the HH, and I got marked as Scribe.

This turned out to be a Multi-sport Hash, including snow mountain climbing, no skate ice trekking, and some crazy carpet rides to finish off (HA Ha.. most finishing off involves a Crazy Carpet!!). Using the Oriolle park hill as Lube- **Pleasure Chest**, **Cum Honour**, **Wet Spot**, **Moby’s Dick**, **Cum see my Box**, **Master Baiter** and **Wee Little Bladder** slid down, up, and sideways in a crazy carpet ballet. **Wet Spot** being a casualty more than once (If it ain’t multiple, what’s the point). **Drippy** went down too... just not on a carpet.

Back at the Swill, punishments were given to our Hares- also **Lady Aneeda Dick** for braving the c-c-c-c-cold, **Wet Spot** and **Drippy** for going down, **Pleasure Chest** for her impeccable Songmeistering, **Cum Honour** for something, and **Moby** for something else.

There was an ON ON, but I was OFF OFF.

69 days till Spring On On,

Pucker.
