6, 7, 8, 9, 10, 11, 12!

Ernie and Bert (AKA **Chips** and **Moby**)

“Hey **Ernie!** FU”.

“That’s not very nice **Bert**”

“No **Ernie**. FU are the two letters featured in this edition of DEER DROPPINGS. It’s also what **Pucker Sucker** said when you made her go down that false trail leading to a dead end. Hee hee hee” FU.

We interrupt this edition of DEER DROPPINGS to tell you about an incident that happened last Thursday night. Three runners were accosted while trying to enjoy the -18 weather. **Pleasure Chest** reported a man in a white truck who tried to persuade three runners to go to a secondary location. **Don’t know Dick** and **Wee Little Bladder** used the two letters F and U and ran away. The man in also known as **Curb Crawler** and is described as ‘A lot of fun’ and ‘Reckless with his feet’. If you see this man, do not approach him without your RA. Still missing is **Cum See My Box**.

In other news two runners on the same night in a totally unrelated running group enjoying the -18 weather reported seeing a snuffleupagus. **Nicole** and **Dripping Wet Gap** consumed a large amount of Fire Ball prior to the run so no one took them seriously.

Now back to our edition of DEER DROPPINGS.

At Circle up Big Bird taught us it’s ok to lie and make up stories.

While at Mr. Hoopers Soda Shop (Browns Social House) the runners and walkers enjoyed food, drink and a version of Manamana song by **Chips**, **Pleasure chest** and **Nicole**.

Join us next time when DEER DROPPINGS will be brought to you by the letters O, C, and D and the numbers 6 and 9.
