Stand in the Way of a Good Story”

Run #935 – Feb 2nd 2017

Hares : Pucker Sucker & Deep Throat

Location: 53st & 47th Ave Beside downtown Coop

Prelube: Murphs

On On: Murphs

Scribe: Wet Spot

We drove up to the parking lot, with shivering hands and a satiable thirst for liquor. We circled up, made fun of each other's abundance of layers (or lack thereof) and took off into the night.

The punishments of the run turned out to be, indeed, punishments as the hashers swallowed ice-cold beers, freezing their insides while regretting their latest decisions, all at once.

The trek was icy, treacherous, slippery and exhilarating. Stripping layers off, putting them back on, almost slipping down an ice mountain... the fun goes on.

The best part was when the last two hashers reached the Hash Hold and we formed a limbo line for them to bend over and slide in for. Sexy.
