“Never Let the Truth or Libel Laws  
Stand in the Way of a Good Story”

Run #956 - June 29th - Canada Day Run attire.

Hare(s): **GSpot, Pecker Checker & Premie**

Location: The Ozarks, 5114 50th Ave, Sylvan Lake

Prelube: Sylvan Lake Legion, 4916 50th Ave

On On: Open Range, corner of 50th St & Sylvan Dr

Scribe: **Mobey of Dickus**

So much to be thankful for.....

- thanks to **G-Spot, Premie and Pecker Checker** for taking on this run at late notice.
- much thanks to **Pleasure Chest** for hauling me out to Sylvan Lake.
- thanks to **Premie** for buying me a beer at The Legion. And then explaining it was a bribe. It quickly became apparent I was scribing☺
- thanks for appointing such a great RA. Best managed circle I have seen in years.

The scariest thing about being asked to scribe is that I have to follow the brilliant scribe from **Deep Throat** last week. Thanks! Was it just me, or did it smell slightly of **Urine??**

The run started early at the Legion pre-lube, where we saw **Broken Boner** and the long lost **Daft Bastard**. It was a good crowd, and with all 3 hares there we knew we had time for another beer. Thanks **Pleasure Chest**.

**Restricted Entry** made the trip down with **Sir Nooky**. She is a brave hasher. I asked but got no response on if she paid for her ride with gas, grass or ass. Nobody rides with **Nooky** for free.

It was great to see **Pecker Checker** during his annual summer trip to Sylvan. Did he get his name because

he stops every 5 minutes to pee? And check?

**Slippery** and **Pucker** made the long trip from Red Deer, as did **Hymen** and **Sir Cums**. Thanks for bringing our beer.

All were dressed in Canada Day theme. Well, except maybe **Curb Crawler**, who apparently thought our national colour, was blue.

The run was great and it was a beautiful night. **Pecker Checker** kept us going in the right direction (between pee stops) and **Premie** was always there on his bike to keep us on track. The hares cruelly took us past many hash hold locations from previous Sylvan runs (their house, **Wet Denim's**, **Chief's**, etc...). Speaking of **Wet Denim**, we saw her out wandering the beach instead of running with us.

Finally, we made our way to the marina and found a refreshing hash hold. No licorice, so **Chips** would have been sad. But cold beer, chips and maple leaf cookies so all others were happy.

Back to the Ozarks we went for the circle up. The hares were toasted for a great night. The visitors (we had 3!) were thanked for making the trip. I got a beer just because I was ready early. And **Hymen** got to enjoy a beverage out of her sparkling new shoes. **Shady Lady** was punished. It seems to me she used to be a runner. And then a walker. Now she just meets us at the start, goes shopping at Sobey's and meets us at the hash hold. The hash has apparently gone to hell....

I think that is all that needed to be said. On On until next week! (Oh, and I think we might have named Nicole ;-)).
