Run # 968 - Sep 21, 2017 - 5th Annual Pirate Run

Hare(s): Pleasure Chest

Location: Holy Family School

Prelube: Chillabongs

Scribe: Slippery When Wet

It was a misty and foggy night. Perfect for a Pirate Run!

The drench of the rain felt like the waves spaying you down while on the deck of a ship. The double pneumonia will totally be worth it.

In Attendance were the Captain **Pleasure Chest** and her First Mate **Cheap N' Easy**. Along with them, a hearty crew; more brave and more cunning than the average hasher.

Humidities and **Dripping Wet Gap** were present but only in their boring regular hashing gear. Our (already has a God complex) RA, **Cum Honour**, made minimal effort to 'prirate it up'

The prelube had its regulars with **Curb** and **Boner** playing an unexpected game of strip poker at the bar when the rest of us arrived. They quickly changed to Gin Rummy but we all knew what they were doing. The waitresses were relieved when we sat down and the boys put their shirts back on.

Wet Spot and **Cheap** were the only walking Hares but no one saw them on trail. I wonder if they went back to the bar or sat in a car while we risked life and limb on trail. They were awfully dry at the Hash Hold.

Don't know Dick had a new hairdo for the run. I hope she keeps it. It was very becoming and probably very warm and dry underneath. **Crash Test Rummy** who won for best costume really outdid himself. He didn't fall once.

I forgot to mention **Whore Slayer**.

Pucker Sucker was shivering away at the beginning of the night. She quickly warmed up in a van after the run. A punishable offence that went unnoticed this time.

Pleasure Chest had a treasure hunt at the Hash Hold but I didn't see what the prizes were. Did anyone? She did have prizes for all of us in costume however, when she walked around the circle handing them out **Humidities** ripped the hat off of another hasher and pretended it was hers. Not cool **Humidities**

Walking the plank would have been preferable to drinking the swill they give you, but that is just me.

Dripping Wet Gap "I hereby charge you with sitting in a dry van while the rest of us peons soak in the rain. What say ye? Guilty"

Slippery When Wet "I hereby charge you with volunteering to write the scribe. What say ye? Guilty"

Cum Honour "I hereby charge you with making another hasher pee her pants because you ran by and scared her. What say ye? Guilty"

At the ONON we noticed a dry normal looking man sitting at our table. Ken had come to join his wife, **Humidities**. We came, we ate, we laughed, we went home. Until next time PC. RRRRRRR

What is a pirates favorite letter? No Matee, It's the Ceeeee
