DEER DROPPINGS

Run #987– Feb. 1st, 2018

Hare(s): Pucker Sucker- Live Hare!

Location: Maddie McCollough 26 Lawford Ave

Prelube: Chilibongs

On On: Chilibongs

Scribe: Broken Boner

Slippery, finally got a switched run date. Pre-lube was not packed, but I managed to have a beer before the run.

We all met at the school parking lot (Except for **Humititties**, where was she? She never misses a run). We waited for the wonderful **Drippy** who volunteered to get the swill, after her arrival we circled up and introduced ourselves to the two virgins. **Pucker** acted out the markings for us, and **Cum Honor** was gracious enough to take the extra time to explain the markings to the virgins. And we were off, markings were many, but very light with flower. **Wee** and **Don't Know Dick** were guided by **Drippy** who had volunteered to take them on a leisurely walk.

Pucker kept a keen eye on all of the runners to ensure none were to get lost, **Sir Mobey** was close, but she steered him straight.

We ran and ran and after circling the block a few times, **Chips** must be working out as he was FRB with **Whore Sleigher** most of the run. We got to the HHH sign and went inside a very warm garage to find sparking lights, and a warm fire with lots of goodies and beer. **Dwaine** was there to light the fire, and keep us company.

After we retreated to the run start we circled to enjoy some warm beer. Hares were rewarded, virgins were toasted, a birthday drink was given and Cum Honor kept us all in line.

We retreated back to Chilibongs, where all those that were there were treated by Whore Sleigher.

Just because I brought up that the Hare forgot to appoint a scribe I had to do it.
