## **Don't Know Dick's Boner Run**

The hares said we'd meet in Deer Park, it was a cold and windy night

Boner set trail with **Don't Know Dick**. Oh, we're in for a fright.

There was **Curb, Whore Sleigher** and **Wet Spot, Cum Honour** and **Dave** who came alone

Because **Janice** said “Fuck that, it's cold - I'm staying home”.

Chorus:

They ran through the pathways, they ran across the roads,

They ran through the trails, they ran against the cold.

They ran through the alleys and they ran through the streets,

They ran across fields and snow 2 feet deep.

**Cum Honour** got what he deserved when he tripped up in a rut

He landed in a face-plant when he was trying to shortcut

The way he fell head first, was really quite unique

He'll have to wear the helmet if someone brings it out next week

Chorus:

They walked through the path ways,

They walked across the roads,

They walked through the trails, they walked against the cold.

They walked through the alleys and they walked through the streets,

They walked across fields and snow 2 feet deep.

They whined about the lack of flour and they whined about the dirt

They'll be whining even more next week when they're wearing the whining T-Shirt

Whore Sleigher had warm beer last week because he thought it would be nice

But we gave him so much shit, this week it was in a block of ice!!!!

Chorus:

They staggered through the pathways, They staggered across the roads,

They staggered through the trails,

They staggered against the cold.

They staggered through the alleys and they staggered through the streets,

They staggered across fields and snow 2 feet deep.
