What a beautiful  
spring day for  
another Hash run!!  
The sun is a  
shining...

Then our brave, strong and  
commanding RA **Cum  
Honour** mesmerized the group  
with his presence while we  
introduced ourselves.

We even had a virgin in our  
midst, nice to meet you  
**Jeanie!!**

..and the birds  
are a chirping  
down at  
Heritage  
Ranch!!

Our Hares **Deep  
Throat** and  
**Naomi** came  
into the circle  
(Skanks for  
volunteering!!!)

Our group of enthusiastic hashers circled  
up promptly just after 7 bells.

They showed us Trail  
through a dramatic and  
bendy interpretive  
Dance.

Then off we went with **Chips a Whore** leading flock.

There were a few false trails on this run, **Broken Boner** got HI jinxed by a few of em, and here he is coming back from one

I found a promising hunk of flour here and there and pursued.

**Slippery when Wet** and **Curb Crawler** looked like they were engrossed in a good wholesome conversation while they jaunted along.

**Cum Honour** and **Crash Test Rummy** horsed around.. those goofy guys.

Oh **Crash**, you fell over again, Classic **Crash**.

After a nice sweaty session, we finally were arrowed to our Hash Hold!! **Whoreslayer** hung out and did a bit of deep stretching and we were greeted with **Deep Throats** better half (chuckle, chuckle) **Urine My Way** with some refreshing refreshments.

**Humiditties** crossed trail with the Walkers a few times including **Don't know Dick**, she ain't camera shy!

I had to miss circle up due to a foreseen mall unemergency, but I had imagined it looked like this.

Some punishments were given, I thought it was a little too chilly for the sleeve but **Chips** and **Deep throat** took it like champs!

Some rewards were given too! **Slippery when Wet**, **Cum Honour** and **Don't Know Dick** proudly display their 100 run back packs.

And **Curb Crawler** was adorned with his impressive 300 Run Jacket!

But the icing on the cake... **Slippery When Wet** was celebrating her Birthday!! Oh silly Slippery, you got some cream on your frontside.

Another "ONmazing" run!!

On ON,  
**Pucker**
