DEER DROPPINGS

Run # 997- April 12, 2018

**Hare(s): Cum Honour & Wet Spot, Cum
Liquour Snatch**

Location: St Teresa of Avila School

Prelube: Mr. Mikes

On On: JD's

Scribe: Slippery When Wet

I arrived at the Prelube at 6:00 with **Humidities** and one other Hasher was already present. **Chip A Whore** was sitting and reading a Playgirl inhaling what looked like his 4th beer.

Humidities looked at him and said “Wow, can I read that when you’re done?” He looked at her sideways and slipped the magazine in his jacket pocket.

Curb Crawler, **Don’t know Dick**, and **Broken Boner** joined us and we had to expand the table. **Chips** slammed my finger in between the two tables on purpose and everyone laughed. He is a mean drunk.

Cum Liquor Snatch, **Wet Spot** and **Cum Honour** arrived a little while later which made perfect attendance for prelube and run. We had 9 at the prelube and 9 for the run! It was magic.

Broken Boner and **Curb** tried to get us all to stay at the prelube all night. **Boner** said it was too cold to run and **Curb** said he would buy us beer all night if we wanted. While tempting we opted to go to the run.

Humidities thought she might cruise the bar before going to the run just in case. She was my ride so we were late. No one noticed thank goodness.

We did have one virgin show up for the run, **Sadie**. She was quite the bitch. She was very quiet and didn’t really interact with anyone but **Wet Spot**. She also peed a lot.

The trail was set by **Cum liquor Snatch** and she told us she likes to hide the flour in the grass. It was definitely a challenge but we all knew where the hash hold would be. **Sadie’s** house. That bitch.

It was funny that **Curb Crawler** and **Broken Boner** were absent for the entire run. I did see them at the beginning running towards JD’s. I didn’t think the weather was that bad but **Broken Boner** gets cold and complains relentlessly so it is probably for the best.

Don’t know Dick and **Liquor Snatch** were the only two walkers this time. Every time we ran by they tried to steer us in the wrong direction. All in good fun!

As expected we had the hash hold in a nice warm garage. **Cum Liquor Snatch** spilled her entire drink and **Sadie** ate snacks off the floor. Weird. **Wet Spot** and **Cum Honour** didn’t mind at all.

We circled up for punishments, birthdays and rewards and it started getting cold. I saw many glasses being poured. As **Cum Honour** called out for punishments I heard the sound of crickets. I decided to take one for the team. I almost fell and that’s usually good enough for a punishment. Plus, I wasn’t driving. In the circle as they tried to remember a song. I also had to choose my own. Honestly, I was just trying to help the process.

We punished a few more; like **Chips** who was hanging around the hare pretending to talk hash business so he didn't have to do too many false trails and **Liquor snatch** for hiding flour. We celebrated Curbs 29th birthday but he was disappointed Mitzi was not present. **Don't know Dick** offered to step in but it was too cold to get undressed. (there might have been another reason too)

As I heard the crickets for the second time I decided to punish **Humiditties** for showing up late to the run. I know I threw her under the bus but we had a good laugh and all was forgiven. I think. We'll see. Although, I am writing this scribe.

We adjourned to JD's and had almost perfect attendance but only 8 came. **Chips** spoiled it. We may never receive our perfect attendance badge. Of course **Sadie** didn't attend either because they don't serve dogs at JD's.

Another great run with great friends. Thanks to everyone who make it happen each week.
