# DEER DROPPINGS

**Run # 998- April 19, 2018**

**Hare(s): Whore Sleigher**

**Location:** Michener Health Building

**Prelube:** Murph's

**On On:** East 40th

**Scribe:** Dripping Wet Gap

After prelube we all gathered in the parking lot at Michener for circle up. 16 people showed up for this beautiful spring run. Introductions were said and an explanation of what to expect on the run was given.

As a true **Whore Sleigher** run, the runners were constantly being tricked by him. We went one way and he would be laying trail another. We all know that when a hare runs with the flour in his pocket no good can come of it.

This run was full of hills with big X's on top of them and lots of unsteady ground which of course lead to a couple of falls. One of which was head first into the trees. Right **Crash???** Hmmmm I wonder where the crash helmet is.....

**Pucker** proved that plogging ( picking garbage while jogging) to be quite a benefit as she found a great disc Frisbee. We may have a new Frisbee golf player in the future.

With soaked feet and tired legs the runners, **Broken Boner, Chips a Whore, Crash Test Rummy, Cum Honor, Curb Crawler, Hummiditties, Pucker Sucker, Slippery When Wet, Wet Spot**, myself and our running hare **Whore Sleigher** we so excited to finally find the hash hold but to our surprise there was

no hash hold at the hash hold instead it was **Wrecked Anal** stuffed into a truck. The walkers **Don't Know Dick , Hymen Trouble, Sir Cums a Lot** and **Captain Piss Up** thought it would be funny to stuff him in there to try to scare us. Turns out the run was longer than they thought and poor **Wrecked Anal** almost died of suffocation. Thank god they gave him a beer to drink while he was in there so he wasn't dehydrated too.

Back at circle up we doubled up with beer, one from the hash hold and one from the swill. During our circle up we noticed a man walking towards us all dressed up in a suit. This is it, for sure we are getting in trouble now. As he approaches us he says " On On you wankers" and what are the chances but a fellow out of town hasher, **Little Squirt????** I think, stumbled upon us. We welcomed him like any true hashers would with a beer and a song.

There were a few punishments and a special birthday reward to **Broken Boner** then off to east 40th.
