It Was a Looong Fucking Winter;

It was a loooong fucking winter and after about a month of getting signs of spring all week except for Thursday we finally broke the winter curse and Thursday dawned bright and sunny and stayed that way all day. Some of us persevered over the long winter and subjected ourselves to days, weeks, months of ongoing torture every Thursday and therefore kept a familiar bond going, HOWEVER on this particular Thursday April 26th all the hibernating, wuzzy, winter worn, and just plain pansy asses showed up. 26 hashers on April 26th it is like it was destiny!

So because it has been such a looong winter let me reintroduce some of our long lost hashers:

There is the boys club hashers. We all have dicks so walk in a straight line to more easily compare the length and arc of the pendulum swing as we walk.

Then there are the potty mouth hashers, well if you can't keep it clean then put your toilet where your mouth is.

The directionally challenged hashers – yup trail or no trail it's really just a cluster fuck!

The I get my own special piece of clothing hashers, because that is the only wardrobe items I have and wear so check out my dick pix.

600 no 500 run hashers.
Congrats **Wet Denim**

The boozin' buddies
hashers, hey they have to
get hugs somehow.

The first sleeves of the year hashers, yup **Deep** you are not
innocent like you claim.

The chasing
tail (feathers)
hasher

The long lost **Capt'n, Urine, Blowin Hose, Cheap &
Easy, and Wet Denim** hashers

The full of hot air
RA hasher

The bystander hashers while not caught in the act most
likely the instigators of many of the above

The Mitzy fan club
hashers **Blowin & Cum**
see (Mitzy's) box.

All in All it was such a beautiful night. The run was warm and interesting allowing everyone to get out ‘

The walkers enjoyed a nice stroll in the hot sunshine and spread out over at least a block or two.

Everyone came together at **Doggie’s** house where a very serious discussion about using the pond as a hot tub was had but once **Willy** the 2x virgin said he pissed in it we ended that idea.

Back to **Mobey’s** we all sauntered with beer in hand for home BBQ burgers, dogs, and chilly. The fire and company was all enjoyed by all hashers – no matter what their issues are.

PS: Could everyone shave your fucking legs, crotch, armpits – Its fucking summer you know!
