Sunny Day

Sweepin' the clouds away

On my way to where the air is sweet

*It was a beautiful sunny evening to
have a cold beer.*

Come and play everything's a-okay

*Friendly neighbors yes that's where we
meet*

It was a friendly bunch of hashers with virgins James & Yvonne at the pre-lube. After the usual introductions and instructions, we set off down the beautiful trails behind the Kinex. But wait! The arrow points us down the street. The deceptive hare has tricked us!

It was just a warm up and soon enough we were on the trails. The hare took pity on this warm evening and trimmed 3 km off the run. We wound through the trails to the water tower and back through the trails led most of the way by the virgins!

The virgins also seemed to know the markings.

Very suspicious; either were were being tricked again or they were smarter than your average hasher. The hare made up for shortening the run by making us climb the big hill at Rotary Park (of course).

Don't Know Dick was the only walker and had to carry all our beer up the hill to the hash hold but new comer Rachel took pity on her and walked as well. The beer was ice cold as the walkers gladly carried coolers up the hill. After a relaxing beverage and great view of Red Deer, we all headed back to the Kinex for circle up.

Punishments and rewards were given out. A jolly good time was had by all!
