of a good story"*

**Run #1153 / August 19th 2021**

**Hare: DKD & Mount Me**

**Location: Co-op Riverside**

**Scribe: Slippery**

Here I am scribing again. Third time in 4 weeks. It's my own damn fault. I volunteer a lot. I've got to stop that.

We started the night at Mr. Mikes. As usual we were late to the run but no one noticed because **Mount Me** was really really late and she was one of the Hares. We waited and waited until the RA decided to go ahead and circle up. **Don't Know Dick** showed us the way and we were off. While we were searching for our first On On we saw **Mount Me** sauntering towards the walkers as she often saunters; like she is too cool for school. **Crash** went west and the rest of us East. Soon we called On On and **Crash** turned around.  
*(this is so boring)*
