Scribe #1235

Hare **Wet Spot**

Scribe: Grabbin Wood & Sir Mobeys

Jose can you see by Juan’s eerie light....

Finally, a beautiful evening for a run and all the beautiful people showed up. Pre-lube at JD’s featured a virgin (**Bernard**), some long lost hashers (**Pussy Foot, Dripping Wet Gap, Liquor Snatch**), the hares (**Wet Spot and Cum Honor**), a “I’m just drinking and not running hashier (**Curb Crawler**) and a few other assorted miscreants.

An even bigger crowd showed up at the run start. Thanks so much **Wet Spot** for setting a trail twice!

The run started off great until an injury knocked your scribes MIA, with a lame **Sir Mobey’s** and an accompanying **Grabbin Wood**. We had a lovely walk thanks to **Cum Honors** directions, eventually meeting the walkers (**Cum See, Mount Me and Drippy**) and, just as we neared the hash hold, the runners.

Hash hold was great (thanks hares) and **Mobey’s** was treated to **Mount Me’s** tender nursing skills. We were also joined by an even longer lost **Wrecked Anal**.

We imagine the run was amazing, with **Dick See** frolicking too and fro, **Crash** almost falling and getting hurt, **Pucker** not really following trail, **Slippery** and **TNT** stopping to pee, and all the other usual behaviours.

Circle was amazing - with the plank and the sleeve and a lame RA. Very special that many run awards were presented - **Pucker, Slippery** and Crash. Thanks so much **Slippery** for working on getting these caught up!!

We also imagine the OnOn was fantastic with food, booze and many tales of glory. But the scribes went home for ice and ibuprofen:-).

The scribe is brief but so was the run for some of us who missed most of it.
